

RPActionInterface

```
graph BT; KCL_rosplan::CollectHintInterface[KCL_rosplan::CollectHint Interface] --> RPActionInterface[RPActionInterface];
```

A UML class diagram illustrating inheritance. At the bottom is a gray-shaded box labeled "KCL_rosplan::CollectHint Interface". A blue arrow points vertically upwards from this box to a white box at the top labeled "RPActionInterface".

KCL_rosplan::CollectHint
Interface
